We thank you for the input and guidance that your staff provided to GMA 1 throughout the five year planning process to adopt DFCs for the Joint Planning Area. The elected membership and appointed staff of High Plains Underground Water Conservation District #1, the North Plains Groundwater Conservation District, Panhandle Groundwater Conservation District, and Hemphill County Underground Water Conservation District have put great time, effort, and thought into this joint planning process. If you have any questions or need additional information from the GMA 1 through your review of the attached documents please contact me at any time.

Thank you,
